Payment is for a 10x10 space. If you need more room, you may purchase two spaces (10x20) for double the fee. Spaces are reserved on a first-come, first served basis. We will not have tents available; vendors must supply their own. You may set up your booth in any way that does not overflow your designated area or interfere with safe pedestrian movement.

There will be no vehicles, trailers or campers permitted on the Fairgrounds or at vendor booths once the Fair opens each day. All booths must be set up and operational no later than one hour prior to Fair opening the day(s) you will open. All vehicles must be off the fair grounds at least 1 hour prior to the fair opening—no exceptions. Also, vehicles cannot be on the fairgrounds any time during Fair operations—that includes people wanting to close their booths early. All vendors **MUST** park in the designated vendor parking area. We are not responsible for damage or theft from your car while at the Fair.

In the event a dispute shall arise between the parties to this contract, the parties agree to participate in a meeting before the full Fair Board for resolution.

We must have your application and payment no later than September 1, 2017.

The Fair Board reserves the right to sell spaces not registered by 12 noon on opening day with all fees forfeited by Vendor. Vendors are expected to keep their area clean, with trash picked up regularly and boxes, etc. deposited in the garbage bin nightly and **AT THE CLOSE OF THE FAIR.**
